Solve some undefined words using background knowledge	Apply problem-solving strategies to technical words or proper nouns that are challenging
Identify words with multiple meanings, discuss alternative meanings and select the precise meaning within the text	Remember the details of complex plots with many episodes
Form implicit questions and search for answers while reading	Remember information in summary form over chapters
Search for and use information from the text to confirm or disconfirm predictions	Change predictions as new information is gathered from a text
Bring background knowledge to understanding a wide variety of fiction and nonfiction texts	Make connections between character in different texts
Acquire new perspectives and content from the reading	Demonstrate understanding of characters (traits, how and why they change), using evidence
Infer characters' feelings about each other	Speculate on alternate endings that the text may have
Infer the big ideas or themes and discuss how they are applicable to people's lives today	Hypothesize how characters could have behaved differently
Demonstrate the ability to identify how text is organized
